School of Computer Science & Informatics, Cardiff University

Employer's Evaluation of Progress – Academic Year 2023/24 – 2nd Visit Review

Student Name:	**Yan Tung Lam**
Employer:	**IDBS**
Placement Supervisor's Name:	**Kemal Yilmaz**
Supervisor's position:	**Engineering Manager**
Date:	13/03/2024

The questions relate to the student's progress in the current review period:

Are you satisfied with the student's progress in this review period? Yes
(Please delete as appropriate)

Please comment on the student's overall performance and on how well you feel the student is carrying out their objectives/tasks:

Yan has fitted well into the team and hit the ground running in terms of work. She is enthusiastic and communicates quite well. Additionally, her balance between working independently and seeking help when needed demonstrates her effectiveness as a team member.

What do you think are the student's main strengths?

Her ability to quickly adapt and learn new skills.

Are there any areas that you think the student needs to improve?

Are there any general comments you wish to make?
